Brazos County

The Bryan District is currently developing a project to improve the existing two-lane roadway, between FM 2818 and the new SH 40, to a four-lane roadway. This facility will include a median separating each direction of traffic. Two public meetings were held to assist in determining a preferred alignment and planning the preliminary roadway layout.

Right-of-way acquisition is anticipated to begin in 2004 for this project.

Construction is not anticipated to begin for 3 to 4 years.

Additional information about this project can be obtained by contacting:

Mr. Robert L. Richardson, P.E.
Bryan District Design Engineer

Phone: 979-778-9727
Fax: 979-778-9702
E-mail: brichar@dot.state.tx.us

Bryan District Design Office
On Texas Avenue (one block south of SH 21) - In Bryan

Additional information (about right-of-way acquisition) for this project can be obtained by contacting:

Mr. Sam Wilson
Bryan District Right-of-Way Administrator

Phone: 979-778-9721
Fax: 979-778-9705
E-mail: swilson@dot.state.tx.us

Bryan District Right-of-Way Office
