

**RESOLUTION NO. \_\_\_\_\_**

**A RESOLUTION ESTABLISHING CHARGES FOR DISPOSAL SERVICES PROVIDED BY THE BRAZOS VALLEY SOLID WASTE MANAGEMENT AGENCY'S ROCK PRAIRIE ROAD LANDFILL; REVOKING ALL PREVIOUS RESOLUTIONS, AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the Brazos Valley Solid Waste Management Agency (BVSWMA) is an entity created under a joint interlocal agreement between the Cities of Bryan and College Station , Texas, and

**WHEREAS**, the joint agreement requires that each City adopt the charges for landfill disposal services provided to the various customers of any landfill operated by the Brazos Valley Solid Waste Management Agency, and

**WHEREAS**, the BVSWMA Board of Directors has reviewed and approved the operating budget and charges assessed by the Agency; now, therefore,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COLLEGE STATION**, that charges for disposal services shall be assessed on the following basis:

**A. NORMAL MUNICIPAL SOLID WASTE**

1. The basic landfill tipping fee for normal municipal solid waste shall be assessed on the basis of \$22.25 per measured ton
2. A customer class, including the Cities of Bryan and College Station, Texas, shall be charged \$18.75 per measured ton of waste material brought into the landfill.

**B. SPECIAL WASTES**

1. The basic landfill tipping fee for special wastes, which does not require special handling and/or documentation, shall be \$22.25 per measured ton.
2. The customer class, including the Cities of Bryan and College Station, Texas, shall be charged \$18.75 per measured ton for any special waste disposed of at the landfill.

**C. TIRES**

1. The fee charged for tires brought to the landfill for disposal shall be:
  - (a) \$3.00 per tire for tires up to 19.5 inches in diameter
  - (b) \$8.00 per tire for tires between 19.6 inches and 24.5 inches in diameter
  - (c) \$20.00 per tire for tires in excess of 24.5 inches in diameter.

D. WHITE GOODS, APPLIANCES, REFRIGERATION DEVICES.

1. The fee charged to recover Freon from refrigeration devices brought to the landfill shall be \$10.00 per unit and shall be assessed the basic landfill tipping fee of \$22.25 per measured ton. Refrigeration devices that have undergone Freon removal and have been stamped by a certified Freon extractor prior to arriving at the landfill will be assessed the basic landfill tipping fee of \$22.25 per measured ton.
2. All other white goods and appliances shall be assessed the basic landfill tipping fee of \$22.25 per measured ton.

E. UNSECURED LOAD FEES

1. Users of the landfill who enter the landfill with waste materials not secured in a manner as to prevent spillage or blowing of waste from the vehicle and/or container used to transport the waste during the transportation of waste shall be assessed a surcharge of \$10.00 per measured ton over the base tipping fee with a minimum charge of \$10.00.

F. PULLOFF/CLEAN-OUT FEES

1. Users of the landfill upon execution of a waiver of liability and at the discretion of landfill personnel may be allowed to utilize equipment and/or devices provided by the landfill to assist in the unloading or clean-out of waste for a charge of \$10.00 per load occurrence and/or trip into the landfill.

G. CONTAMINATED/CLEAN SOILS

1. The charge for the disposal of contaminated soils received at the landfill which have been approved by the Texas Commission On Environmental Quality and the Management Staff of the landfill for use as daily and/or intermediate cover material shall be assessed on the basis of \$5.00 per measured ton.
2. No charge will be assessed for clean soils that can be utilized as daily and/or intermediate cover material.

H. CHARGES BY CUBIC YARD

1. In the event that it becomes impossible or impractical to assess fees on a per weight basis, the following schedule of rates will be assessed based upon the estimated capacity of the vehicle and/or container used to transport waste into the landfill.
  - (a) A customer class, including the Cities of Bryan and College Station, shall be charged \$8.50 per cubic yard.
  - (b) All other customers shall be charged \$10.00 per cubic yard.

- I. In addition to the fees established above, each customer shall pay any fees, charges, or taxes as required by the State of Texas, in accordance with 30 Texas Administrative Code (TAC), Section 330.602, or other relevant statutes as amended.

These rates shall become effective on all services provided by the Rock Prairie Road Landfill on or after November 1, 2004.
