Subject: Emergency Power Generator Bid Pkg 04-95

Cynthia,

Malcolm Pirnie has reviewed the bid proposal from Southern Plains Power and determined that bid item# 1 does meet the specifications intent. However, bid items # 2,3 and 4 do not meet the specifications. Malcolm Pirnie recommends that the City of College Station reject the bid and re-advertise the Emergency Power Generators bid package.

Attached are the technical specifications with the addendum modifications from the previous bid and a revised suggested vendor list.

If you have any questions please feel free to give me a call.
