Re: Application for Boards/Commissions/Committees

Attached is my application and resume.

Since retiring and returning to College Station after a 40 year absence, I have participated in the following activities which do not appear on my resume:

- Employed by College Station Parks and Recreation to teach job search courses.
- Volunteering in a variety of activities at South Knoll Elementary School.
- Completed the College Station Citizen Police Academy.
- Will complete the College Station Citizens University tomorrow.
- Regularly attending the Computer Club for Seniors.

Additionally, I am enrolled in, and will attend, the College Station Citizen Fire Academy in January 2005.

Although it is quite difficult to "squeeze" 40 years of professional experience into one page, I believe that my resume provides a readable summary of my diversified experience, education, and skills.

I am requesting that you consider my application and am confident that I can make a contribution that will be mutually beneficial.

Sincerely,

Don Scherr

Habitué for
