1300 N. TEXAS AVE. • BRYAN, TEXAS 77803-2760 • (979) 778-2165

January 25, 2005

Project: C 50-1-69
Control: 0050-01-069
BS 6-R: From Hensel Street in College Station to Hensel Street in Bryan
County: Brazos

Mr. Tom Brymer
City Manager
City of College Station
1101 Texas Avenue
College Station, Texas 77842

Dear Mr. Brymer:

Please find enclosed one copy of the final plan set for the proposed landscape project at the location shown above. This project is the result of a winning entry by Keep Brazos Beautiful to the Governor's Community Achievement Award Program. The Bryan District of the Texas Department of Transportation (TxDOT) developed this project in cooperation with the Cities of Bryan and College Station, Keep Brazos Beautiful and the Texas A&M University Floriculture Gardens. These plans are currently being reviewed and processed by the district for a September 2005 contract letting.

I am furnishing this plan set to you for your review and information. Please contact Mr. Maury Jacob, L.A., District Landscape Architect, at 778-9798 if you or your staff have any comments or questions about this plan set or need any additional information about this project.

Sincerely,

Robert A. Appleton, P.E.
Director of Transportation
Planning and Development
