

Compulink Management Center, Inc. Software License Agreement

This Software License Agreement ("Agreement") between Compulink Management Center, Inc. ("Compulink"), a United States based corporation with corporate headquarters located at 3545 Long Beach Blvd., Long Beach, CA 90807 ("Licensor"), authorized to do business in the state of Texas and the City of College Station, a Texas home-rule municipal corporation ("Licensee"). The enclosed Compulink software program ("SOFTWARE") is licensed by Compulink to Licensee and any subsequent transferee of the SOFTWARE for use only on the terms of this Agreement. By opening the envelope containing the SOFTWARE and installing, copying, or otherwise using the SOFTWARE, Licensee accepts these terms.

I. GRANT OF LICENSE. This Compulink product contains some or all of the following types of software: (a) "SERVER SOFTWARE" that provides services on a computer called a server, and "CLIENT SOFTWARE" that allows a computer or workstation to access or utilize the services provided by the Server Software; (b) "STAND-ALONE SOFTWARE" that operates on a single computer; and (c) "PLUG-IN SOFTWARE MODULES" that can be added to the previously mentioned SOFTWARE packages. Compulink grants Licensee a limited, non-exclusive, non-transferable license to use the Server Software, Client Software, Stand-alone Software, and Plug-in Software Modules (collectively called the "SOFTWARE") as follows:

The CD or diskette(s) on which the SOFTWARE resides may contain several copies of the SERVER SOFTWARE, each of which is compatible with a different operating system. Licensee may install the SERVER SOFTWARE for use with only one of those operating systems at any given time. Licensee may install one copy of the SERVER SOFTWARE on a single computer (the computer running the SERVER SOFTWARE shall be referred to as the "SERVER"). Licensee may install the CLIENT SOFTWARE only on computers or workstations equal to the number of Client Licenses that Licensee has acquired and designated for use exclusively with the SERVER. If Licensee desires to increase the number of Client computers or workstations which are connected to, have access to, or otherwise utilize the services of the SERVER, Licensee will purchase additional Client Licenses if required.

II. COPYRIGHT. The SOFTWARE is owned by Compulink and is protected by United States copyright laws and international treaty provisions. Licensee must treat the SOFTWARE like any other copyrighted material except Licensee may install the SOFTWARE as expressly authorized by this Agreement and may keep the original solely for backup or archival purposes. Licensee may not copy the printed materials accompanying the SOFTWARE.

III. OTHER RESTRICTIONS. Licensee may not sublicense, assign, loan, duplicate, rent, lease, convey or otherwise use, transfer, copy, translate, convert to another programming language, alter, modify, decompile, disassemble or reverse engineer the SOFTWARE, in whole or in part, except as expressly provided in this Agreement. The SOFTWARE is

subject to restrictions and controls imposed by the United States Export Administration Act and the Export Administration Regulations ("the Acts"). Licensee agrees that (i) neither the SOFTWARE nor any product derived from it is being or will be used for any purpose prohibited by the Acts; (ii) neither Licensee nor any controlling principal, director, officer, manager or employee of Licensee are citizens or permanent residents of any of the countries currently subject to a trade embargo under the Acts; and (iii) Licensee will not sell, market or distribute, directly or indirectly, the SOFTWARE or any product derived from it to any national or permanent resident of any country specially designated by the U.S. Treasury, Commerce or State Departments to which export of such goods is prohibited. Licensee shall strictly comply with the Acts and obtain all required export licenses.

IV. LIMITED WARRANTY; DISCLAIMER. The media (not SOFTWARE) is warranted to the original purchaser against defects in material and workmanship for a period of three (3) months from the date of original purchase. Defective media will be replaced when it is returned postage prepaid with a copy of the purchase receipt to Compulink. Except as stated above, COMPULINK LICENSES THE SOFTWARE ON AN "AS IS" BASIS AND WITHOUT WARRANTIES OF ANY KIND. COMPULINK DOES NOT WARRANT THE ERROR-FREE OPERATION OF THE SOFTWARE. EXCEPT AS EXPRESSLY STATED ABOVE, COMPULINK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE SOFTWARE.

V. LIMITATION OF LIABILITY AND DAMAGES. COMPULINK'S LIABILITY FOR ANY DAMAGES OR INJURIES SUFFERED BY LICENSEE, WHETHER BASED ON A BREACH OF CONTRACT, BREACH OF WARRANTY, CLAIM OF NEGLIGENCE, MISREPRESENTATION OR OTHER TORT, OR ON ANY OTHER LEGAL OR EQUITABLE THEORY, SHALL BE LIMITED TO THE AMOUNT LICENSEE ACTUALLY PAID TO COMPULINK OR ITS AUTHORIZED RESELLER FOR THE SOFTWARE. UNDER NO CIRCUMSTANCES SHALL COMPULINK OR ITS RESELLERS, AGENTS, EMPLOYEES, CONSULTANTS, AND SUPPLIERS (COLLECTIVELY, "REPRESENTATIVES") BE LIABLE TO LICENSEE OR ANY THIRD PARTIES FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, LOSSES FROM BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS), REGARDLESS OF WHETHER COMPULINK OR ITS REPRESENTATIVES HAVE BEEN WARNED OF SUCH DAMAGES OR CLAIMS. NO ACTION MAY BE BROUGHT AGAINST COMPULINK OR ITS REPRESENTATIVES UNDER THIS LICENSE AGREEMENT MORE THAN ONE YEAR AFTER LICENSEE KNEW OR SHOULD HAVE KNOWN OF THE FACTS WHICH GAVE RISE TO THE CAUSE OF ACTION.

VI. LICENSOR warrants that it owns the software, including all associated intellectual property rights, or otherwise has the right to grant Customer the right and license provided

in this Agreement, and that as of the date of this Agreement, to the best of LICENSOR's knowledge, neither the software nor the documentation infringe on any valid patents, copyrights, trademarks, or other proprietary rights of any third parties LICENSOR, at its own expense, will defend and indemnify and hold harmless LICENSEE against any and all claims, losses, damages causes of action or expense including court costs, reasonable attorney fees, expert fees and other related fees or expenses arising out of or relating to a claim that the Software infringes on a United States patent or copyright or misappropriates trade secrets protected under United States law, provided LICENSEE (a) gives LICENSOR prompt written notice of such claims, (b) permits LICENSOR to control the defense and settlement of the claims, and (c) provides all reasonable assistance to LICENSOR in defending or settling the claims. As to Software which is subject to a claim of infringement or misappropriation, LICENSOR may (a) obtain the right of continued use of the Software for LICENSEE or (b) replace or modify the Software to avoid the claim. If neither alternative is available on commercially reasonable terms, then, at the request of LICENSOR, any applicable Software license and its charges will end, LICENSEE will stop using the applicable Software, and LICENSEE will return to LICENSOR all or destroy all copies of the applicable Software, and will certify in writing to LICENSOR that such return or destruction has been completed. Upon return or LICENSOR's receipt of certification of destruction, LICENSOR will reimburse LICENSEE for the price paid for the Software, and any unused maintenance fees under any current maintenance contract.

VII. U.S. GOVERNMENT RESTRICTED RIGHTS NOTICE. Use, duplication, or disclosure by the United States Government is subject to restrictions as set forth in FAR 52.227-14 (June 1987), Alternate III(g)(3)(June 1987), FAR 52.227.19 (June 1987), or DFARS 52.227-7013 (c)(1)(ii)(June 1988), as applicable. The SOFTWARE is a "commercial item," as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation," as those terms are defined at 48 C.F.R. 12.212 (Sept. 1995). Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227-7202-1 through 227-7202-4 (June 1995), all U.S. Government End Users acquire the SOFTWARE with only those rights set forth herein. Contractor/Manufacturer is Compulink Management Center, Inc., 3545 Long Beach Blvd., Long Beach, California 90807.

VIII. GENERAL. If any provision of this Agreement is found to be unlawful, void, or unenforceable, that provision shall be severed from this Agreement and will not affect the validity and enforceability of any of its remaining provisions. This Agreement does not limit any rights that Compulink may have under trade secret, copyright, patent or other laws. Compulink's resellers, dealers and distributors are not authorized to modify this Agreement, or to make any additional representations, commitments, or warranties binding on Compulink.

Licensee's license under this Agreement shall terminate after notice of any material breach and an opportunity to cure said breach of this license agreement. Upon termination, Licensee must promptly uninstall the SOFTWARE from all of Licensee's computers, return the SOFTWARE to Compulink, and destroy all backup copies.

This Agreement contains the sole and exclusive agreement between Licensee and Compulink relating to its subject matter. It shall not be modified or amended in any way by any purchase order or other document issued by Licensee, but may be amended only by a writing signed by both Licensee and Compulink and specifically referring to it.

This Agreement shall be governed by, subject to, and interpreted in accordance with the laws of the State of Texas and the United States of America, without regard to rules or laws regarding conflict of law. The parties hereto submit to the exclusive jurisdiction of the courts within the State of Texas.

BY ENTERING INTO THIS AGREEMENT THE CITY DOES NOT GIVE ITS CONSENT TO SUIT, WAIVE ITS GOVERNMENTAL IMMUNITY OR THE LIMITATIONS AS TO DAMAGES IN THE TEXAS TORT CLAIMS ACT.
