CITY OF COLLEGE STATION

Planning and Development Services

Project Name:	AmeriSuites Hotel
Subdivision:	Wheeler Phase 2, Lot 1 R, Block 1
Developer:	Kyle Legends I, LP – c/o Tom Kirkland
Engineer/ Firm:	Rick Conlin, PE, CSC Engineering
Project Description:	Upsize existing 8-in sewer to 12-in
Total Cost Estimate:	\$77,113.00
City Contribution Requested:	\$5,454.00 (7%)
Construction Schedule:	Complete and accepted
Comments:	Dale requested this section of sewer line be upsized. The City project to upsize the existing line to a 12" did not include this section of line. Therefore the system went from 12" to 8" back to 12".
