

Bryan/College Station

Habitat for Humanity . . . *building hope, homes and community*

October 13, 2005

Mr. Randy Brumley
College Station Community Development
P.O. Box 9960
College Station, Texas 77842

Dear Randy:

I write on behalf of the Board of Directors of Bryan/College Station Habitat for Humanity to request the donation of the lot at 1202 Arizona Street in College Station, for the construction of a simple, affordable home for a local family in need.

Bryan/College Station Habitat for Humanity has not had any land to build on in College Station since last fall, but have families that have grown up in College Station and wish to remain in College Station. They have completed all of the requirements for homeownership and have been awaiting the availability of a lot on which to build their home since early this year.

We appreciate all that the City of College Station has done for its citizens and especially for the very low-income families that we serve. Please let me know if there is anything else we must do in order to expedite this donation and the construction of this home.

Thank you very much.

Sincerely,

Patricia G. Burk
Executive Director
