

Representative, provided such directions and instructions are consistent with the obligations of this Agreement. Any directions or instructions given to the CONTRACTOR by the property owner or any other third person not party to this Agreement shall not be acted upon by the CONTRACTOR without the express written direction of the City's Representative to so proceed.

3. The CONTRACTOR shall forward all communications with the CITY, written or oral, to the City's Representative. Unless otherwise specified, written notice shall be deemed to have been duly served if delivered in person to the individual or to a member of the firm or to any officer of the corporation for whom it is intended or if it is delivered or sent certified mail to the party's last designated business address. Each party shall have the right to change its business address by at least thirty (30) calendar days' written notice to the other party of such change.

4. The CONTRACTOR shall be prepared to perform the work in the most expedient manner possible. The parties agree that time is of the essence in this Agreement. The work encompassed in this Agreement shall be commenced on the date to be specified in the notice to proceed. Said notice to proceed may be given by oral notification or in writing. In the event of any dispute, the records of the City's Representative shall be conclusive evidence as to the date specified on the notice to proceed.

5. The CONTRACTOR shall complete and be responsible for all work as specified, indicated, or described in the Contract Documents. All work done must be in strict conformity with this Agreement and other contract documents. The substantial completion of work shall not excuse the CONTRACTOR from performing all the work undertaken. Failure of a minor or major nature, and thereby not complying in substance in accordance with the Contract Documents. In the event that the CONTRACTOR fails to perform the work as required for final completion of the work encompassed by this Agreement, the CITY may contract with a third party to complete the work and the

CONTRACTOR shall assume and pay the costs of the performance of the work as contracted.

6. Unless otherwise stipulated, the CONTRACTOR shall provide and pay for all materials, supplies, machinery, equipment, tools, superintendents, laborers, insurance, water, electricity, fuel, transportation, and all other facilities and utilities necessary for the execution and completion of the work specified or contemplated under the Contract Documents.

7. The CONTRACTOR shall secure and pay for all permits, fees, licenses, and inspections necessary for the proper execution and completion of the work. The CONTRACTOR shall give all notices required by law and comply with all laws, ordinances, regulations, codes, rules and lawful orders of any public authority bearing on the performance of the work.

8. The work shall be completed within sixty (60) calendar days from the date specified in the notice to proceed that is given by the City's Representative. In the event that the CONTRACTOR reasonably believes that he will require an extension of time within which to complete the work due to changes in the work required or due to some act or event beyond CONTRACTOR'S control, CONTRACTOR shall immediately submit a written request for an extension of time, stating in the request the additional time sought and reasons therefor. Within three (3) calendar day of receipt of said request, the City's Representative shall grant or deny, in whole or in part, the CONTRACTOR'S request. As used in this Agreement, the term "calendar day" shall mean any day of the week or month, no days being excepted.

9. Throughout the progress of the work, the CONTRACTOR shall keep the working area free from any debris of all types, and promptly remove from the premises all rubbish, resulting from any work done by him each day. At the completion of the work, the CONTRACTOR shall leave the premises in a clean condition, free of

debris. Any failure by the CONTRACTOR to do so may be remedied by the CITY and charged back to the CONTRACTOR.

10. The City's Representative shall have the right to order the work of the CONTRACTOR or any subcontractor wholly or partially stopped immediately if, in the judgment of the City's Representative, any of the work done is not in strict accordance with this Agreement or any portion of the work is being performed so as to create a hazardous condition. Such stoppage shall neither invalidate any of the CONTRACTOR'S performance obligations under this Agreement, including the time for performance, nor will extra charge be allowed the CONTRACTOR by reason of such stoppage or suspension.

11. The CONTRACTOR shall retain personal control and give his personal attention to the fulfillment of this Agreement. The subletting of any portion or feature of the work required in the performance of this Agreement shall not relieve the CONTRACTOR from his full obligation to the CITY as provided by this Agreement.

12. It is understood and agreed by the parties that CONTRACTOR is an independent contractor retained for the above-mentioned purpose. It is further understood that said work is done on a day-to-day basis. The CITY shall not control the manner nor the means of the CONTRACTOR's performance, but shall be entitled to a work product as described above.

13. The CITY will not be responsible for reporting or paying employment taxes or other similar levies which may be required by the United States Internal Revenue Service or other State or Federal agencies.

14. CONTRACTOR shall procure and maintain at his sole cost and expense for the duration of this contract insurance covering all risks of fire, theft, and other risks of property which may arise from or in connection with the performance of the work hereunder by CONTRACTOR, his agents, representatives, volunteers, employees or subcontractors listing College Station, its employees and officials as additional insured.

Required limits of insurance shall be obtained by the CONTRACTOR as set forth in the Addendum to this Agreement, and said Addendum shall be incorporated into this Agreement by reference as is fully copied and set forth at length.

15. **CONTRACTOR** assumes full responsibility for the work to be performed hereunder, and hereby releases, relinquishes and discharges CITY, its officers, agents and employees, from all claims, demands, and causes of action of every kind and character including the cost of defense thereof, for any injury to, including death of, person (whether they be third persons, contractor, or employees of either of the parties hereto) and any loss of or damage to property (whether the same be that either of the parties hereto or of third parties) caused by or alleged to be caused, arising out of, or in connection with **CONTRACTOR's** work to be performed hereunder whether or not said claims, demands and causes of action in whole or in part are covered by insurance.

16. Workers' Compensation Insurance Definitions

16.01 Definitions:

16.01.01 Certificate of coverage ("certificate") - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement (TWCC-81, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

16.01.02 Duration of the project - includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.

16.01.03 Persons providing services on the project - includes all persons or entities performing all or part of the services the contractor has undertaken to perform on the project, regardless of whether that person contracted

directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Service" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Service" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

16.02 The contractor shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.

16.03 The contractor must provide a certificate of coverage to the governmental entity *prior* to being awarded the contract.

16.04 If the coverage period shown on the contractor's current certificate of coverage ends during the duration of the project, the contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

16.05 The contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

(a) a certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project;

(b) no later than seven calendar days after receipt by the contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

16.06 The contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.

16.07 The contractor shall notify the governmental entity in writing by certified mail or personal delivery, within 10 calendar days after the contractor knew or should have known, or any change that materially affects the provision of coverage of any person providing services on the project.

16.8 The contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

16.9 The contractor shall contractually require each person with whom it contracts to provide services on a project, to:

(a) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the project, for the duration of the project;

(b) provide to the contractor, prior to that person beginning work on the project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project;

(c) provide the contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project;

(d) obtain from each other person with whom it contracts, and provide to the contractor;

(1) a certificate of coverage, prior to the other person beginning work on the project; and

(2) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project;

(e) retain all required certificates of coverage on file for the duration of the project and for one year thereafter;

(f) notify the governmental entity in writing by certified mail or personal delivery, within 10 calendar days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

(g) contractually require each person with whom it contracts, to perform as required by paragraphs (a) - (g), with the certificates of coverage to be provided to the person for whom they are providing services.

16.10 By signing this contract or providing or causing to be provided a certificate of coverage, the contractor is representing to the governmental entity that all employees of the contractor who will provide services on the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

16.11 The contractor's failure to comply with any of these provisions is a breach of contract by the contractor, which entitles the governmental entity to declare the contract void if the contractor does not remedy the breach within the period of time after receipt of notice of breach from the governmental entity.

17. This Agreement is entered into by an organization which qualifies for sales and use tax exemptions pursuant to the Texas Tax Code, Sections 151.301, 151.307 and

151.309. The CONTRACTOR must divide the price for materials that will be incorporated into the project and the price for skill and labor into separated contracts. Therefore, it is the CONTRACTOR's responsibility to obtain a sales tax permit, resale certificate, and exemption certificate which shall enable CONTRACTOR to buy the materials to be incorporated into the completed capital project and then resale the aforementioned materials to the CITY without paying the tax on the materials at the time of purchase.

18. This Agreement has been made under and shall be governed by the laws of the State of Texas. The parties agree that performance and all matters related thereto shall be in Brazos County, Texas.

19. The parties hereby state that they have read the terms of this Agreement and hereby agree to the conditions contained herein.

20. No waiver by either party hereto of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent wavier of the same term or condition.

21. It is understood that this Agreement contains the entire agreement between the parties and supersedes any and all prior agreements, arrangements, or understandings between the parties relating to the subject matte. No oral understandings, statements, promises or inducements contrary to the terms of this Agreement exist. This Agreement may only be amended by written instrument approved and executed by the parties.

22. If any provision of this Agreement shall be held to be invalid, illegal or unenforceable by a court or other tribunal of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The parties shall use their best efforts to replace the respective

provision or provisions of this Agreement with legal terms and conditions approximating the original intent of the parties.
