Re: Board Member for Twin City Endowment, Inc.

Dear Mayor:

In early 2003 when the Brazos County Industrial Foundation, Inc. was renamed and by-laws rewritten to dedicate our income to support the joint economic development efforts of the cities of Bryan and College Station together with Brazos County, the makeup and selection process of the TCE,I board was also changed. In that process, the City Council was given appointment authority for one position. That person was Harry Green and he drew an initial term of three years which will expire on December 31, 2005. Harry is eligible to be reappointed and has expressed a willingness to accept a reappointment.

I would appreciate your placing this item on the first available agenda in order that the Council can appoint a person of their choosing. Harry will continue to serve until he is either reappointed or a replacement is named.

Should you desire any additional information regarding TCE,I please do not hesitate to let me know.

Very truly yours,
