REGULAR AGENDA

1. Public Hearing, presentation, possible action and discussion regarding Ordinance 2017-3890, adopting standards of care for the City's Parks and Recreation Department's elementary age (5-13) Youth Recreation Programs.

David Schmitz, Director of Parks and Recreation, reported that the Department of Family and Protective Services requires child care facilities to be licensed. Certain programs offered by the Parks and Recreation Department fall within the definition of a childcare facility requiring licensing, but are exempt if municipalities held an annual public hearing and adopt a standards of care ordinance. This is a re-occurring event, and Staff again recommends holding a public hearing and adopting the ordinance.

At approximately 7:34 p.m., Mayor Mooney opened the Public Hearing.

There being no comments, the Public Hearing was closed at 7:34 p.m.

MOTION: Upon a motion made by Councilmember Schultz and a second by Councilmember Rektorik the City Council voted seven (7) for and none (0) opposed, to adopt Ordinance 2017-3890, adopting standards of care for the City's Parks and Recreation Department's elementary age (5-13) Youth Recreation Programs. The motion carried unanimously.

Item 3 was taken out of order and heard before Item 2.

2. Public Hearing, presentation, possible action, and discussion regarding Ordinance 2017-3891, amending Chapter 12, "Unified Development Ordinance," Section 12-4.2, "Official Zoning Map," of the Code of Ordinances of the City of College Station, Texas by changing the zoning district boundaries from R Rural to RS Restricted Suburban for approximately 368.5 acres generally located east of Greens Prairie Road West and west of Arrington Road and to the south of Whites Creek Lane.

Jennifer Paz, Planning and Development, stated the applicant requests a rezoning from Rural to Restricted Suburban, which is in compliance with the Comprehensive Plan Future Land Use and Character Map.

Jeff Whitacre, Kimley Horn & Associates, Crissy Hartl and Veronica Morgan, Mitchell & Morgan along with applicant Hunter Goodwin, gave an overview of the efforts to address neighborhood, utility, and traffic concerns concerning this rezoning.
The Planning & Zoning Commission recommended approval at their May 18 regular meeting.

Staff recommended approval of the rezoning.

At approximately 8:35 p.m., Mayor Mooney opened the Public Hearing.

Elizabeth Varvel, Indian Lakes, College Station, opposes this rezoning based on neighborhood integrity and traffic safety concerns.

Karen Pitts, Nantucket, College Station, opposes this item based on what she foresees to be negative quality of life impacts to her existing neighborhood.

Marie Wolfe, Nantucket, College Station, opposes this item and sites the TIA process as a broken one which is does produce realistic results.

Jane Cohen, Wellborn, opposes this rezoning and would prefer that the area develop at least one acre lots to maintain the current character.

Mary Lou Price, Nantucket, College Station, is concerned about the condition of surrounding roads driving traffic through neighborhoods if they are not improved.

Brenda Watson, Nantucket, College Station, opposes the rezoning because it will cause the area to lose its character and create traffic congestion.

Joe Guerra, Castlegate, College Station, believes that without aggressively designing the intersections to handle the traffic other changes will do little to improve the flow traffic.

There being no further comments, the Public Hearing was closed at 8:57 p.m.

**MOTION**: Upon a motion made by Councilmember Benham and a second by Councilmember Moore, the City Council voted seven (7) for and none (0) opposed, to adopt Ordinance 2017-3891, amending Chapter 12, "Unified Development Ordinance," Section 12-4.2, "Official Zoning Map." of the Code of Ordinances of the City of College Station, Texas by changing the zoning district boundaries from R Rural to RS Restricted Suburban for approximately 368.5 acres generally located east of Greens Prairie Road West and west of Arrington Road and to the south of Whites Creek Lane. The motion carried unanimously.

3. **Public Hearing, presentation, possible action, and discussion regarding Ordinance 2017-3892, amending Chapter 12, "Unified Development Ordinance," Section 12-4.2, "Official Zoning Map." of the Code of Ordinances of the City of College Station, Texas by changing the zoning district boundaries from R Rural to GC General Commercial and NAP Natural Areas Protected for approximately 3 acres being the NE half of Block 4, Lot 1 of the Harvey Hillsides Subdivision, located at 3500 Harvey Road, generally located east of Copperfield Parkway and Harvey Road.

Madison Thomas, Planning and Development, stated that the applicant has requested a General Commercial (GC) and Natural Areas Protected (NAP) rezoning. The GC zoning district includes
lands planned for general commercial purposes, including retail sales and service uses that function to serve the entire community and its visitors. The NAP is meant to prohibit development in an area that is environmentally sensitive. The area identified on this site to be rezoned to NAP consists of FEMA Floodplain.

Alan Gibbs, Planning and Development, gave information on local and state law on the governing contaminants leaving a site.

The Planning & Zoning Commission recommended approval at their May 18 regular meeting.

Staff recommended approval of the rezoning.

There being no further comments, the Public Hearing was closed at 7:46 p.m.

Carol Cotter, Planning and Development, reported that the southwest wall of the house built at 617 Banks Street extends approximately an average of 1.59 feet into a 10-foot wide Public Utility Easement along the side property line. The encroachment does not conflict with any of the utilities in the easement and consent has been granted by all franchised utilities for the encroachment.

Summary: This project consists of the replacement of water and sewer lines in the vicinity of Haines Drive, Glade Street, Dexter Drive, and Timm Drive. Approximately 18,000 linear feet of sewer main are projected to be rehabilitated or replaced as part of the project. The water distribution lines are in need of replacement due to an increase in service disruptions caused by deteriorating materials and inadequate fire protection due to the existence of smaller lines within the respective area. Approximately, 24,500 liner feet of water line are projected to be replaced or rehabilitated with this project.

Budget & Financial Summary: Budget in the amount of $2,736,000 is included in the Water Capital Improvement Projects Fund for the water line component of this project and $3,762,000 is included in the Wastewater Capital Improvements Fund for the wastewater line component of this project. The “Resolution Declaring Intention to Reimburse Certain Expenditures with Proceeds from Debt” is necessary for this item because the long term debt has not been issued for the projects. The debt that this resolution is intended to cover is estimated to be issued in future years.
