

MINUTES OF THE REGULAR CITY COUNCIL MEETING
CITY OF COLLEGE STATION
OCTOBER 9, 2014

STATE OF TEXAS §
 §
COUNTY OF BRAZOS §

Present:

Nancy Berry, Mayor

Council:

Blanche Brick
Steve Aldrich
Karl Mooney
John Nichols
Julie Schultz
James Benham, absent

City Staff:

Kelly Templin, City Manager
Carla Robinson, City Attorney
Chuck Gilman, Deputy City Manager
Sherry Mashburn, City Secretary
Tanya McNutt, Deputy City Secretary

Call to Order and Announce a Quorum is Present

With a quorum present, the Regular Meeting of the College Station City Council was called to order by Mayor Berry at 7:03 p.m. on Thursday, October 9, 2014 in the Council Chambers of the City of College Station City Hall, 1101 Texas Avenue, College Station, Texas 77840.

1. Pledge of Allegiance, Invocation, consider absence request.

Peter Ramirez, State Representative for the MDA, led the assembly in the Pledge.

MOTION: Upon a motion made by Councilmember Nichols and a second by Councilmember Mooney the City Council voted six (6) for and none (0) opposed, to approve Councilmember Benham's Absence Request. The motion carried unanimously.

Recognition of the Bryan/College Station Habitat for Humanity 25th Anniversary, proclaiming October 16, 2014 as B/CS Habitat for Humanity Day.

Mayor Berry presented representatives of the Bryan/College Station Habitat for Humanity a proclamation proclaiming October 16 as B/CS Habitat for Humanity Day.

Recognition of the College Station Professional Fire Fighters for Fill the Boot to help MDA, proclaiming October 9th, 10th and 11th as Fill the Boot Day

Mayor Berry presented the College Station Fire Department with a proclamation proclaiming October 9, 10, and 11 as College Station Fire Department "Fill the Boot" Days.

Citizen Comments

Ben Roper, 5449 Prairie Dawn Court, came before Council to honor the service and sacrifice of Pvt. 1st Class Chad E. Bales.

CONSENT AGENDA

2a. Presentation, possible action, and discussion of minutes for:

- **September 22, 2014 Regular Council Meeting**
- **September 22, 2014 Workshop**

2b. Presentation, possible action and discussion regarding the renewal of the Interlocal Agreement with the City of Bryan for Management of the Larry J. Ringer Library.

2c. Presentation, possible action and discussion on a third amendment to the current lease between the City of College Station and DVA Renal Healthcare, Inc. formerly known as Gambro Healthcare of Texas, Inc. (aka DaVita, Inc.) in the Chimney Hill Shopping Center, extending the lease for a period of three (3) months.

2d. Presentation, possible action and discussion on a bid award for the annual purchase of three phase pad-mounted transformers, which will be maintained in electrical inventory and expensed as needed. The total recommended award is \$563,601 and will be awarded by line item to the lowest responsible bidder.

2e. Presentation, possible action, and discussion authorizing the renewal of the award of Bid No. 12-102 for the purchase of City branded uniforms for Parks athletic programs and for other City departments with CC Creations (\$45,000) and Monograms and More (\$33,000) for a combined annual estimated expenditure of \$78,000.

2f. Presentation, possible action and discussion on increasing a previous award to Techline by 25%, or \$127,164.56, for Bid #14-038, Various Electrical Items for a new not to exceed amount of \$635,822.81. These items will be stored in inventory and expensed as needed.

2g. Presentation, possible action, and discussion regarding a renewal of the Service Contract with Payment Processing Inc. (PPI) for Electronic Credit Card Processing and Merchant Account Services with estimated banking fees and services charges not to exceed \$750,000 annually.

2h. Presentation, possible action and discussion on approving the agreement between the City of College Station and the Arts Council of the Brazos Valley for FY15 in the amount of \$386,400 for Affiliate funding and Annual Program and Marketing funding.

2i. Presentation, possible action and discussion on approving the budget of the Arts Council of the Brazos Valley, and; presentation, possible action and discussion on approving the agreement between the City of College Station and the Arts Council of the Brazos Valley for operations and maintenance FY15 totaling \$100,000 with \$35,000 coming from the General Fund and \$65,000 coming from the Hotel Tax Fund.

2j. Presentation, possible action and discussion on approving the budget of the Bryan/College Station Chamber of Commerce and presentation, possible action and discussion on a funding agreement between the City of College Station and the Bryan/College Station Chamber of Commerce for FY15 in the amount of \$25,000.

2k. Presentation, possible action and discussion on a funding agreement between the City of College Station and College Station Noon Lions Club for FY15 in the amount of \$15,000.

2l. Presentation, possible action and discussion on a funding agreement between the City of College Station and the Brazos Valley Convention and Visitors Bureau (CVB) for FY15 in the amount of \$250,000 to administer the CVB Grant Program.

2m. Presentation, possible action and discussion on approving the budget of the Brazos Valley Convention and Visitors Bureau (CVB); and presentation, possible action and discussion on a funding agreement between the City of College Station and the Brazos Valley Convention and Visitors Bureau for FY15 in the amount of \$1,321,294.25.

2n. Presentation, possible action and discussion on a funding agreement between the City of College Station and the Research Valley Partnership (RVP) for FY15 in the amount of \$350,000.

2o. Presentation, possible action and discussion regarding construction contract no. 14-365 with Dudley Construction, Ltd., in the amount of \$698,659.38 for the 30-Inch Water Transmission Line Reinstallation Project.

MOTION: Upon a motion made by Councilmember Schultz and a second by Councilmember Mooney, the City Council voted six (6) for and none (0) opposed, to approve the Consent Agenda. The motion carried unanimously.

REGULAR AGENDA

1. Public Hearing, presentation, possible action and discussion regarding Resolution 10-09-14-01, an Oil and Gas Operations Permit for the Bistonte Unit, Well #3H as requested by the operator, Halcon Operating, Co., Inc. of Houston, Texas.

Alan Gibbs, Planning and Development, reported that the Chair of the Planning and Zoning Commissions, the Fire Marshall, the Assistant Director of Planning and Development, and the City Engineer met and agreed to recommend approval of the permit with some noted conditions:

- All waivers be secured;
- 10-foot earthen fire access around the pad; and
- All EIA recommendations be followed.

At approximately 7:27 p.m., Mayor Berry opened the Public Hearing.

Heath Phillips, 305 Deacon, provided written comments in opposition.

Luke Marvel, 2905 Meadowbrook Court, runs the leasing office at the Barracks, adjacent to the project. He is concerned that the area will be developed as residential. A lot of effort has been expended to develop quality neighborhoods, and he hopes this does not create a precedent and undermine what the City is doing.

Denise Snyder, 8404 Turtle Rock Loop, stated the rules are inadequate to protect residents and schools. This will turn the area into an industrial zone. They are already inundated by fracking vehicles. She wants to know what the revenue is. Fracking uses a lot of water, and it looks like they are not planning on recycling. There should be a discussion with community members.

Paul Schultz, 5704 Travis Green, Austin, said he has property in close proximity. In original discussions with Halcon, they said they would help put residents up in hotels. However, once the waivers were not signed, the residents will not be taken care of. He doesn't know of any other wells being drilled in the City limits. Per the Comprehensive Plan, this is planned for future high occupancy residences. There is ambiguity on whether it will cut across his property and affect development.

Sherry Ellison, 2705 Brookway, stated that Halcon has put down a security of \$250,000 and that is trivial. If they do things wrong, it won't be covered. Regarding the site locations and the distance from schools and residences, we have city blocks that long, so the distance is not that far. She asked what the distance is from water wells? The material says earth pits are allowed. Earth pits should not be allowed when we have incredible rains. Things also need to be addressed in the proofing. It also doesn't specify plugging and cleaning if they stop or if they outsource. She suggested the Council vote no.

Jan McMurrey, 3400 Mustang Lane, said she lives close to the project. She also owns property in the Barracks. The first time she heard about it was on the news the night before. She lives in College Station because of the quality of life here and has been here a long time. The well will be only a mile from her. There will be a lot of light and noise issues and possible environmental problems.

Mary Jo Hurley, Ogden Resources Corporation, provided written comments in favor and spoke. She said it only takes about 30-60 days to drill the well. After the well is done, the lights are off, the noise is gone, and a small area will be fenced off. The residents will be minimally impacted.

Judith Beckmann, 9301 Amberwood Court, said she doesn't live near the site, but the only way geographically for oil and gas to get out of there is to go over the railroad tracks in a residential area. There is a potential problem with tankers and trains colliding. The railroad will be shaking that structure every day.

There being no further comments, the Public Hearing was closed at 7:44 p.m.

A motion was made by Councilmember Aldrich and seconded by Councilmember Nichols, to adopt Resolution 10-09-14-01, an Oil and Gas Operations Permit for the Bistonte Unit, Well #3H as requested by the operator, Halcon Operating, Co., Inc. of Houston, Texas.

MOTION: Upon a motion by Councilmember Aldrich and a second by Councilmember Nichols, the City Council voted five (5) for and one (1) opposed, with Councilmember Mooney voting against, to amend the previous motion to reflect the new site location and noted conditions. The motion to amend carried.

MOTION: Upon a motion by Councilmember Aldrich and a second by Councilmember Nichols, the City Council voted five (5) for and one (1) opposed, with Councilmember Mooney voting against, to adopt Resolution 10-09-14-01, an Oil and Gas Operations Permit for the Bistonte Unit, Well #3H as requested by the operator, Halcon Operating, Co., Inc. of Houston, Texas, as amended. The motion carried.

2. Public Hearing, presentation, possible action, and discussion regarding Ordinance 2014-3604, amending Chapter 10, "Traffic Code", Section 4 "Administrative Adjudication of Parking Violations", E "Parking Regulations for Certain Described Areas", (1) "Traffic Schedule XIV - No Parking Here to Corner or No Parking at Any Time" of the Code of Ordinances of the City of College Station, Texas, to temporarily remove parking along the 300 Block of First Street.

This item was on the September 22 agenda and was postponed to allow staff time to work with the developer and the Northgate Association to arrive at a solution.

Danielle Singh, Transportation Planning Coordinator, stated that this ordinance will amend Chapter 10, Traffic Code, by temporarily removing parking from the 300 block of First Street to facilitate construction activities.

At approximately 8:21 p.m., Mayor Berry opened the Public Hearing.

Chris Scotti, 305 Gleeson, thanked the Council for working toward a compromise. It does not address every concern, but it is something with which they can live. The Northgate District Business Association supports this.

There being no further comments, the Public Hearing was closed at 8:23 p.m.

MOTION: Upon a motion made by Councilmember Mooney and a second by Councilmember Nichols, the City Council voted six (6) for and none (0) opposed, to adopt Ordinance 2014-3604, amending Chapter 10, "Traffic Code", Section 4 "Administrative Adjudication of Parking Violations", E "Parking Regulations for Certain Described Areas", (1) "Traffic Schedule XIV - No Parking Here to Corner or No Parking at Any Time" of the Code of Ordinances of the City of College Station, Texas, to temporarily remove parking along the 300 Block of First Street. The motion carried unanimously.

Council directed staff to look into allowing parking on grass during the temporary removal of parking along the street.

3. Public Hearing, presentation, possible action and discussion on Resolution 10-09-14-03 that establishes the City Council determination that the use of parkland is allowable and that no other feasible or prudent alternative for Right-of-Way, Public Utility Easements and Public Utility, Public Access and Landscape Easements exist for the road widening of Rock Prairie Road East, the extension of water lines and the extension of other public utilities to the proposed Lick Creek Nature Center and connection of wastewater lines, all other public utilities and public access ways for proposed development, and that all reasonable planning measures have been taken to minimize the harm to such parkland.

Donald Harmon, Director of Public Works, and David Schmitz, Director of Parks and Recreation, reported that this will establish easements and street right-of-way across Lick Creek Park needed for the development of the Lick Creek Nature Center and the City-owned 63.187 acre tract that is being marketed for sale to the public.

At approximately 8:30 p.m., Mayor Berry opened the Public Hearing.

There being no comments, the Public Hearing was closed at 8:30 p.m.

MOTION: Upon a motion made by Councilmember Mooney and a second by Councilmember Schultz, the City Council voted six (6) for and none (0) opposed, to adopt Resolution 10-09-14-03 that establishes the City Council determination that the use of parkland is allowable and that no other feasible or prudent alternative for Right-of-Way, Public Utility Easements and Public Utility, Public Access and Landscape Easements exist for the road widening of Rock Prairie Road East, the extension of water lines and the extension of other public utilities to the proposed Lick Creek Nature Center and connection of wastewater lines, all other public utilities and public access ways for proposed development, and that all reasonable planning measures have been taken to minimize the harm to such parkland. The motion carried unanimously.

4. Adjournment.

MOTION: There being no further business, Mayor Berry adjourned the Regular Meeting of the City Council at 8:30 p.m. on Thursday, October 9, 2014.

October 8, 2014

To: The Honorable Mayor of College Station Nancy Berry and the Honorable Members of the City Council

Attn: City Manager Kelly Templin and City Secretary Sherry Mashburn

City Secretary's Office – City Hall

1101 Texas Avenue

College Station, Texas 77840

Dear Mayor and Council Members:

As the principal developer of the Barracks and a local business owner, I write to you today to respectfully request that you NOT approve the Oil and Gas Operations Permit for the Bistone Unit, Well #3H, regular agenda item #1 for the October 9, 2014, Council Meeting. I also ask that you include my written comments as public comments on this issue during the October 9, 2014 meeting, which I am unable to attend due to a prior commitment.

This agenda item was brought to my attention a few days ago and I have several concerns with the proposed location of the drill site. As noted in the City Engineer's Report to the Project Review Committee attached to this agenda item as #6, the proposed drill site would immediately affect at least 7 single or multi-family residences along Cain road within the City Ordinance's 600 feet buffer. While I can appreciate the precautions being taken for light and sound around the drill site, it seems the simpler solution is to move the drill site 300 feet to the northeast and remove all residences from the buffer zone.

Additionally, the proposed drill site's 600 feet buffer zone extends across Cain road to the southeast onto a tract of land adjacent to the Barracks. While this land is not currently being developed, there is a strong possibility that this tract may be appropriate for commercial and high-density development within the next several years. The drill site as proposed may inhibit the ability to re-zone the affected land for residential or commercial purposes per the city ordinance. Moreover, I have been advised by my engineer that if the proposed drill site is approved as plated, the land affected may not be used for anything other than storm water detention absent action from this Council or the Planning and Zoning Commission. Approval would severely affect the potential value of that property lying within the buffer zone now and into the future as the community continues to grow.

Wednesday, October 8, 2014

I would be remiss if I did not point out that there seems to be a solution that would be a “win-win” for the public, the oil company and the land and mineral owners concerned. If the drill site were moved 300 feet to the northeast of its proposed location it would: allow the oil company to drill on the same tract as planned; allow the residents along Cain road an additional buffer from noise and light during drilling operations; and, it would more readily allow the tract of land adjacent to the Barracks and bordering Cain road to the northwest to be re-zoned as necessary to maximize value for land owners, create smart growth for residents and develop amenities for the people of this community that will be here long after the proposed oil well is drilled, completed and producing.

Finally, it has also been brought to my attention that all the above referenced owners of residential property within the 600 feet buffer zone may not have signed a waiver allowing development at the proposed drill site. While I do not have personal contact with these owners, I ask that the Council verify that all required waivers have been submitted by the applicant prior to voting on this item. In sum, I simply ask that the Council allow additional time for careful consideration of all those affected and for additional public study and comment. In the event that all required waivers have not been submitted pursuant to the ordinance, I ask the Council to table this item until this requirement has been met. I thank you all for your time and careful consideration of this issue.

Sincerely,

A handwritten signature in black ink, appearing to read 'H. Phillips', with a stylized, overlapping structure.
