Call to Order and Announce a Quorum is Present

With a quorum present, the Regular Meeting of the College Station City Council was called to order by Mayor Berry at 7:13 p.m. on Thursday, April 9, 2015 in the Council Chambers of the City of College Station City Hall, 1101 Texas Avenue, College Station, Texas 77840.

1. Pledge of Allegiance, Invocation, consider absence request.

Citizen Comments

Ben Roper, 5449 Prairie Dawn Ct., came before Council to honor the service and sacrifice of Staff Sgt. Hector Perez.

Mia Paulk, 5572 Silver Hill, said she wants to be a goalkeeper for the TAMU Girl's Soccer Team. The only way she can do that is to practice hard and play on Saturdays. A better location can be found that will not disrupts so many families by partnering with City of Bryan.

Thaddeus Adams, 1011 Guadalupe Drive, said he has been playing soccer for many years and now coaches. Soccer means a lot to him, and he was disappointed to hear of the decision. He encouraged the Council to think of the impact to the entire community and to remember the commitment to our youth. Find an alternative site for parking.

Christian Brannstrom, 726 Willow Loop, said he coaches a UA team at Veteran's, and the facilities are great. He endorses the statements by the Brazos Valley Youth Soccer Association. Using Veteran's Park for parking is bad policy. These are real kids and people that use that facility. This is not an underutilized facility on Saturdays.

Wendy Jepson, 726 Willow Loop, said the community has invested \$10 million for a public park. This is not for closed parking for a private event. We need to work with the university, but this goes beyond accommodation. If this is not about safety, why are we doing it? Is \$2,000 a game the price for selling out our kids?

Carrie Morgan, 2703 Wingate Circle, provided written comments, attached.

Luis Hurtado, 8408 Justin Avenue, said he is a soccer coach. Saturday games are an important activity for his family, and this enhances the quality of life for his family. The university should know how important sports are for children. A parking lot should never take away the joy of our children. A park is a park and not a parking lot.

Luis A. Hurtado, 8408 Justin Avenue, stated that soccer promotes clean, social activities for a healthy and fun life. The game is for everyone who enjoys it, including the players.

Stacey Stagg, 2401 Newark Circle, stated there have been some misconceptions. There are people who attend this park specifically for the soccer games on Saturdays.

Wade Breaux, 17912 Ranch House Road, said that, during his experience with a nationally accredited organizations, there are no organizations that do not have games on Saturday. This provides children an opportunity to play into high school and college.

Matthew Moore, 1003 Rose Circle, said he is a soccer dad. He briefed the Council on a typical Saturday. As a builder, he has contributed many dollars for parkland dedication, which contributes to quality of life for everyone. This is sending the message that TAMU football and parking is more important.

Trudi Askew, 12592 N. Dowling Road, said she and her husband have been soccer coaches and are business owners in College Station. This is not an emotional issue. The bond was for a public facility – a park. To take games away from Saturday makes no sense.

Betsy Pierson, 702 Kingsmill Court, said this goes beyond the sport. This teaches the children more things about life. This park is dedicated to veterans and is to be for the community. There are many users, besides soccer, that are involved in this decision. According to the newspaper, the need for parking already exceeds the capability for parking at the park.

Carl Hattaway, 15165 FM 2154, said he was here about the annexation and said he felt it was being forced on them.

Carlos Candia, 2501 Warnworth Lane, said he recently moved here. He wanted a place that was honorable. College Station is ingrained with family values, but he is disgusted by what is being done here. Saturday morning soccer is done across the nation, and it was the one constant no matter where he was stationed.

Carol Cotter, Planning and Development, stated that this abandonment will accommodate the A&M Consolidated High School gym expansion. An electric line currently runs through the easement, but CSU has approved a plan for the relocation of the electric line with the gym expansion. The abandonment is conditioned on the relocation of the existing electric line and dedication of a new PUE. If either of these conditions are not met, the abandonment will be null and void.

The potential future realignment of North Dowling Road has also been moved to the west to allow it to occur at the existing Market Street intersection with Holleman Drive South, which is planned to be signalized with the development in the area.

The Parks and Recreation Advisory Board considered the additional parkland fees as one of the proposed community benefits to help offset the proposed meritorious modifications at their March 10, 2015 meeting and voted 6-0 to recommend approval. The main purpose of Veteran's park is to be used for our community for the healthy and social benefits of athletic clubs that improve the quality of life for taxpayers. Any and all assertions that the Brazos Valley is a great place to live and thus a great place for industry to consider choosing College Station is because this very basic city need is being met well with Veteran's park. Removing sports use from Fall Saturday's is cutting the parks' ability to meet this goal in half.

To reserve Veteran's Park for sports use, we need to consider what large parking area is used generally Monday-Friday. Is there not a large business park, church, school or TAMU facility with significant parking that is generally in use Monday-Friday. Perhaps far flung TAMU parking lots in other areas? Are each high school in use on game days?
